data + service

A Swiss technology network for innovative companies, academic institutes and individuals with a focus on data-driven value creation: services, products and business models based on data.

Industrial Members
Your participation and your profit

www.data-service-alliance.ch   Together we move faster.

It is the dedication and the expertise of our members that create the strength of our Alliance. Our membership model supports both your participation and your profit.

Participate with in-kind

Many activities are only possible due to in-kinds of dedicated members.

Participate means: bring in what you are good at and enrich the community.

→ **Help the community to become better with your expertise**

→ **Position yourself**

→ **Be involved and get access to the smartest heads of Switzerland**
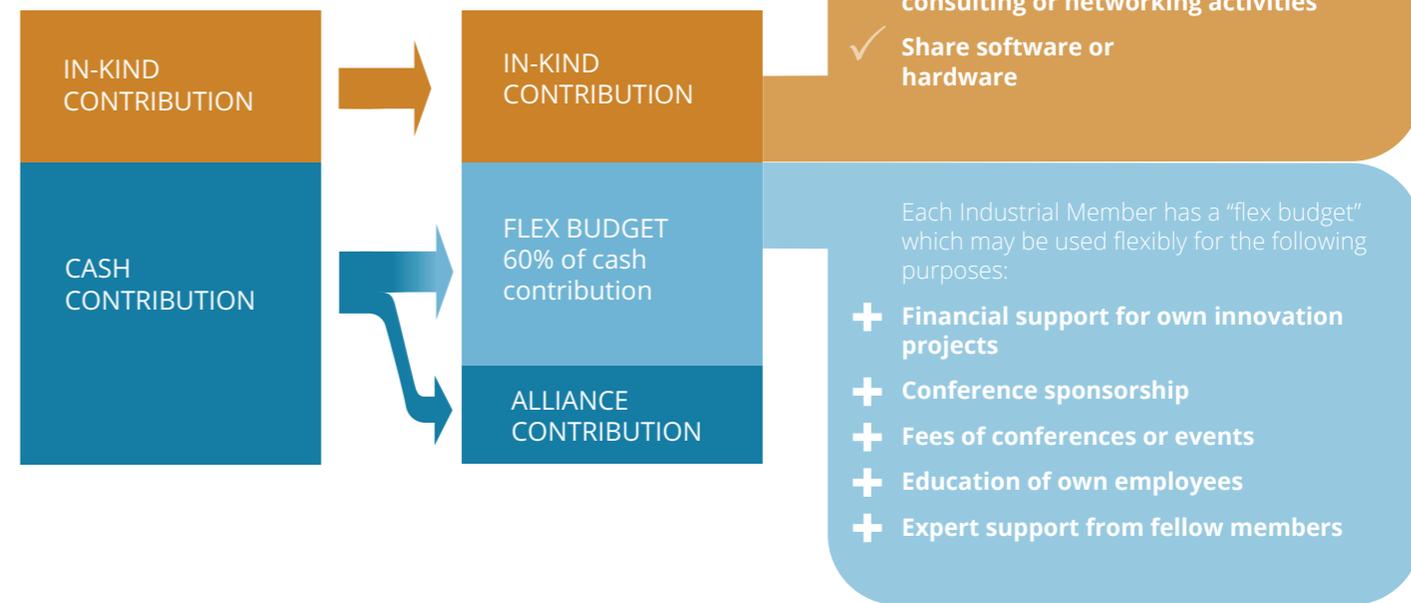

Participate with cash

The largest part of your cash contribution flows back to you and helps you to move forward - individually. We call it **flex budget.**

The rest makes sures that our organisation runs smoothly.

Industrial Members contribute to the Alliance with their membership fee, which is composed by a cash and an in-kind contribution.

The mix of these two components can be flexibly adapted to the individual needs, with an in-kind contribution of up to 75%.

FLEX BUDGET 60% of cash contribution

ALLIANCE CONTRIBUTION

Examples for In-kind:

✓ **Lead an Expert Group**

✓ **Support other members with your expertise**

✓ **Organize specific learning, consulting or networking activities**

✓ **Share software or hardware**

Each Industrial Member has a "flex budget" which may be used flexibly for the following purposes:

╋ **Financial support for own innovation projects**

╋ **Conference sponsorship**

╋ **Fees of conferences or events**

╋ **Education of own employees**

╋ **Expert support from fellow members**
