AI, BIG DATA & XR NETWORKING CONFERENCE

WELCOME TO SWII 2019

AI, BIG DATA & XR

September 26 2019 | ABB Baden, Switzerland

AI, big data and XR are transforming the industry from its core again & in order to utilize the full potential, international collaboration and market oriented research are required. Join R&D intensive multinational enterprises, innovative SME's and best in class academia in generating new industrial partnerships and market oriented research projects with funding available from EUREKA/Eurostars as part of the SWII-platform.

ONLINE REGISTRATION OPEN: [Register now](#)
MORE INFORMATION & FULL PROGRAM: [Here](#)

15 selected Swiss & Swedish SME's will gain the opportunity to pitch their R&D idea to the industry audience.

If you are interested in an elevator pitch, please contact Ulrika Hallström, Business Sweden
